Funders for LGBTQ Issues is excited to present **FUNDING FORWARD 2022** as a fully virtual conference from May 24th - May 26th, 2022.

FUNDING FORWARD is an annual gathering of grantmakers committed to LGBTQ issues, which brings together some of the most influential LGBTQ funders and movement leaders to connect with one another, learn from each other, coordinate their efforts, and maximize their impact.

Sponsoring the conference is an excellent way to demonstrate your commitment to advancing LGBTQ issues. Conference sponsors will benefit from an engaged national audience and develop name recognition to a diverse community of over 200 decision-makers and influencers in philanthropy and the LGBTQ movement. Additionally, sponsorships help us keep **FUNDING FORWARD** accessible to nearly all eligible and interested parties, regardless of their economic means.

ABOUT FUNDING FORWARD

FUNDING FORWARD is our largest annual event and has grown immensely since our first grantmakers retreat in 2012. Today the event is a cornerstone of our annual program and a highlight for over 80 institutional members of Funders for LGBTQ Issues representing private, public, and corporate grantmakers from across the United States. We take our role as host and convener seriously, and strive to ensure that each conference attendee leaves our space feeling not just informed, but inspired, connected, and supported by a national network of colleagues committed to fighting for the well-being of lesbian, gay, bisexual, transgender and queer communities, promoting equity, and advancing racial, economic and gender justice. In addition to representatives from foundations, Funding Forward is a gathering place for leading movement leaders who are invited to participate in conference events.

NON-SOLICITATION POLICY

Funders for LGBTQ Issues strives to provide grantmakers with a learning and networking experience that allows for individual reflection and advancement of one's professional practice. We believe this best takes place in an environment free from the dynamics of solicitation from grantseekers. As such, we ask that all conference attendees and sponsors refrain from soliciting funds, contracts, or consulting clients during Funding Forward. If your organization both raises funds and makes grants, please participate as a grantmaker and refrain from fundraising.
