Independent Auditor's Report

To the Board of Directors
Fundors for Lesbian and Gay Issues, Inc.

Report on the financial statements

We have audited the accompanying financial statements of Fundors for Lesbian and Gay Issues, Inc., which comprise the statements of financial position as of December 31, 2014 and 2013 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Funders for Lesbian and Gay Issues, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

FUNDERS FOR LESBIAN AND GAY ISSUES, INC.

Notes to Financial Statements

December 31, 2014 and 2013

Note 1 Organization

Funders for Lesbian and Gay Issues, Inc. (“Funders,” doing business as “Funders for LGBTQ Issues”) was founded in 1982 to increase philanthropic resources to lesbian, gay, bisexual and transgender organizations, programs and projects. Funders seeks to mobilize philanthropic resources that enhance the well-being of lesbian, gay, bisexual, transgender and queer communities, promote equity and advance racial, economic and gender justice.

Funders for LGBTQ Issues accomplishes its goals through three core sets of activities:

- **Research:** Providing information, research, and resources related to LGBTQ grantmaking to identify gaps and opportunities for LGBTQ funding.
- **Convening:** Organizing conferences, briefings, and other convenings to connect funders and provide forums for them to share resources, identify strategies, and maximize the impact of their grantmaking.
- **Engaging:** Engaging and supporting funders new to LGBTQ grantmaking in order to expanding philanthropic resources for LGBTQ communities.

Funders is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Note 2 Summary of significant accounting policies

Accounting policies. The accompanying financial statements are prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America.

Support. Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions.

Unconditional and conditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rate applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Notes to Financial Statements

December 31, 2014 and 2013

Note 2 Summary of significant accounting policies - (continued)

Gifts of goods and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, Funders reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Depreciation and amortization. Depreciation of furniture and equipment and amortization of capitalized improvements are provided for over the estimated useful lives of the respective assets or the life of the lease, whichever is shorter, on a straight-line basis.

Concentration of credit and market risk. Financial instruments that potentially expose Funders to concentration of credit and market risk consist primarily of cash. Accounts at financial institution are guaranteed by Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000 for each bank. As of December 31, 2014, organization was exposed to credit risk in the amount of \$22,898. The organization was not exposed to credit risk as of December 31, 2013.

Net assets. The net assets of Funders and changes therein are classified and reported as follows:

Unrestricted - this class includes net assets resulting from unrestricted contributions and from other resources not subject to donor-imposed restrictions.

Temporarily restricted - this class includes net assets resulting from contributions and other inflows of assets whose use by the recipient is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions taken pursuant to those stipulations. When stipulations terminate or are fulfilled, the amounts involved are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Consists of assets whose use by Funders is subject to donor-imposed stipulations that the funds be maintained in perpetuity and only the interest earned from the investment of such funds may be released from restriction and used in Funders’s operations. Funders had no permanently restricted net assets for the years ended December 31, 2014 and 2013.

Allowance for doubtful accounts. Management has determined that no allowance for uncollectible accounts for accounts receivable or contributions receivable is necessary as of December 31, 2014 and 2013. Such estimate is based on management’s assessment of the creditworthiness of its donors, the aged basis of its receivables, as well as current economic conditions and historical information.

Notes to Financial Statements

December 31, 2014 and 2013

Functional allocation of expenses. The cost of providing the various programs and supporting services has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services in reasonable ratios determined by management.

Investments. Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statement of financial position. The basis of determining the fair value of investments is the readily determinable sales price of the investments based on prices or quotations from over-the-counter markets.

Investment income or loss (including gains and losses on investments, interest and dividends) is included in the statement of activities. Realized and unrealized gains and losses allocated to unrestricted and temporarily restricted net assets are recognized as incurred. They are recorded in the Statement of Activities as income or loss in accordance with donors' restrictions.

Grant expenses. Contributions made and unconditional promises to give are recognized as expenses in the period made at their fair value. As of December 31, 2014, Funders has \$30,000 of grant expenses.

Uncertainty in income taxes. Funders had no uncertain tax positions as of December 31, 2014, and 2013, in accordance with Accounting Standards Codification ("ASC") Topic 740, Income Taxes, which provides standards for establishing and classifying any tax provision for uncertain tax positions. Funders is not subject to federal or state and local income tax examinations by tax authorities for the year ended December 31, 2012 and prior years.

Subsequent events. Funders evaluated its December 31, 2014 financial statements for subsequent events through October 28, 2015, the financial statements were available to be issued and there were no subsequent events requiring adjustment to the financial statements or disclosures.

Fair value measurement. Statement of Financial Standards ASC 820, Fair Value Measurements (ASC 820) defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosure about fair value measurements. Fair value is defined under ASC 820 as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value under ASC 820 must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes how to measure fair value based on a three-level hierarchy of inputs, of which the first two are considered observable and the last unobservable.

December 31, 2014 and 2013

Note 2 Summary of significant accounting policies - (continued)

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liability.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The adoption of this statement did not have a material impact on Funders' statements of activities or financial position. As of December 31, 2014 and 2013, all investments were classified as Level 1 under ASC 820.

Use of estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
