Total Annual LGBTQ Grant Dollars, 2004-2013

Foundation funding for LGBTQ issues reached a record high of \$129.1 million in 2013. This represents a 6.3 percent increase from 2012. Since the entire philanthropic sector is estimated to have grown approximately 5.6 percent from 2012 to 2013, LGBTQ philanthropy is growing at a slightly faster clip.

Despite significant gains, as in recent years, for every 100 dollars awarded by U.S. foundations only 24 cents goes to LGBTQ issues.

Sources of LGBTQ Funding

As in prior years, private foundations provided the largest share of dollars — \$78.4 million, or 54 percent. Approximately 40 percent of 2013 dollars (\$51.7 million) for LGBTQ issues were driven by LGBTQ donors themselves, either through private foundations established by LGBTQ donors or public funders dedicated to LGBTQ communities.
